About Alexandra Surgery (Haringey CCG -PMS)

The surgery has existed on this site for 50 years. Dr Sivananthan took over responsibility in 1989, and developed it into a modern medical practice with a full primary health care team.

From 1 July 2015, Grosvenor Road Surgery has joined up with us. The patients of the former Grosvenor Road Surgery, as well as those registered with Alexandra Surgery, will be cared for on the expanded premises of Alexandra Surgery.

All administrative and clinical staff at Alexandra Surgery work together as a team. We are here to provide effective, efficient and holistic care to the population, reflecting each individual's needs.

The clinical staff include health visitors, midwives, dietitians, as well as nurses and doctors. Most of us are based at the surgery; some are based in the community.

How to register

Our practice area – N10, N11, N22. We also cover some parts of N8, N12, N15, N17, N18, N19.

Please bring photographic ID and NHS number to our reception. You may download registration forms from the internet, but cannot submit them online. Proof of address will be helpful.

From 5 January 2015, GP practices have the discretion to register people living outside their practice area. However this is voluntary and the practice is not bound to accept any patient. The practice will consider each request individually, whether it is clinically appropriate and in the best interests. For new patients living outside the practice area, the GP practice will have no obligation to visit them at home.

New patients will be offered a consultation check with our Nurse or Health Care Assistant by appointment.

They will also be asked if they agree to receiving mobile text messages and email, and whether they consent to Summary Care Records being shared within the NHS.

A Medical Card will be issued directly by the NHS.

Patient Participation Group (PPG)

Our PPG, set up in 2011, consists of volunteer patients, our practice managers and the GPs. We get in touch on a regular basis to discuss the services on offer, and how improvements can be made for the benefit of patients and the practice.

We engage patient representatives in face-to-face group meetings, by email for personal discussion, and via social media.

The PPG members profile reflect a range of age, gender and ethnicity. We are continuously seeking to broaden representation of specific groups among our patients.

The contribution of our PPG and the outcomes are published annually on our website:

www.alexandrasurgery.com

Please contact our Practice Manager, Patricia Creed, if you are interested in joining the group:

Tel 020 8888 2518 or E-mail patricia.creed@nhs.net

Comments and Complaints

We are always looking for ways to improve our services. If you experience any problems or have suggestions, kindly put these forward to our Practice Manager. She will acknowledge your comments and respond to them as soon as possible.

You may:

- write to Patricia Creed, Practice Manager, at our practice address
- fax to us on 020 8888 3815
- e-mail us at alexandrasurgery@nhs.net

When making a complaint, you may request support from the **NHS Advocacy Service**. Their advice is free, independent and confidential.

Helpline: 0300 330 5454

Textphone: 0786 002 2939

Fax: 0330 088 3762

Email: nhscomplaints@voiceability.org

Repeat Prescriptions

If you are on regular medication, your doctor may have authorized repeats on your computer record. You may request periodic supply without seeing your doctor, for a maximum of 6 months.

Repeat prescriptions can be requested in several ways:

1. Return the list attached to your last prescription

- If you no longer have the list, please ask reception to print out a replacement for you.
- Please select items you require and drop list in the box at reception, or send by post to the practice.
- If you wish to receive your prescription by post, please enclose a stamped self-addressed envelope.

2. Write clearly or preferably type a list

You may fax to 0208 888 3815

Or email to alexandrasurgery@nhs.net

3. Via your online account

From 1 April 2015 you may register for electronic access to repeat prescriptions. Please apply for this facility at reception.

4. Collection by your preferred pharmacy

Some local pharmacies will request for and collect your prescription at the surgery on your behalf. Please enquire with your preferred pharmacist.

Prescriptions cannot be requested by telephone

Please allow 48hours for a repeat prescription to be processed, and indicate where you wish to direct it to, i.e. at a named pharmacy or collect from the surgery.

Practice Team

Doctors

Patients are free to consult with any doctor

Dr N Sivananthan MBBS MRCOG (GP Partner, male)

Referrals Co-ordinator

Ms Allison Mole

Surgery Opening Times

MONDAY	8.00am – 7.30pm
TUESDAY	8.00am – 7.00pm
WEDNESDAY	8.00am – 7.00pm
THURSDAY	8.00am – 7.00pm
FRIDAY	8.00am – 7.00pm
SATURDAY	closed

Consultation Times

All the consultations are by **appointment only**. Appointments are scheduled at variable times throughout the week. Some appointments can be booked in advance, others become available on the day.

To book, please ring **0208 889 0492** or come to reception. **If you are unable to get an appointment you will be offered a telephone consultation.** We provide telephone consultations with a GP daily. Once this is booked, the GP will call you back as soon as possible to deal with your request.

If you are registered for Online Access, you may make **online booking** for some of the appointments.

Online Access

Patients may register for Online Access which allows them to:

- book appointments online
- request repeat prescriptions online
- view certain information related to their health care

To request a user profile and password, please **contact Abhi** at the surgery. You may be asked to show a form of ID.

SMS text messages

We regret to have to advise patients that as of this year, the facility to send text messages has been suspended. We are currently unable to send reminders of your appointments or send your test results by SMS.

Out of hours service

Call 111 for medical attention when the surgery is closed

4

Home visits & Emergencies

We ask patients to ring in as early as possible if a home visit is required. Giving as much time and details about the condition as possible helps the GP to assess the urgency of the visit.

EMERGENCY ONLY

CALL 999 FOR AN AMBULANCE

Specialist Services

We provide special consultations to prevent ill health and also some which help maintain the health of patients with chronic diseases.

Diabetes
Asthma and Chronic obstructive airways disease
Coronary heart disease
Hypertension (High blood pressure)
Pre-conception advice
Cervical screening
Family planning (including Coil fitting or Implant)
Childhood immunizations
Child health surveillance / Baby check
Travel vaccination (including Yellow Fever)
Health check for over 75 year old

Freedom of Information Act

We ask for information about you so that you can receive the best possible care and treatment. We keep this information, together with details of your care, to ensure that your doctor or nurse has accurate and up to date information.

Everyone working for the NHS has a legal duty to maintain the highest level of confidentiality about patient information. We only disclose details if it is necessary to arrange your care, for example referral to hospitals.

Summary care records

These are intended for sharing within the NHS to ensure you receive full support everywhere. If you wish to opt out of this, please contact the practice.
